## MESSAGE FROM OUR PRESIDENT

Dear Friends of FFA,

First of all, I want to wish you and your families a very healthy, Happy New Year!

Can you believe it? We are going on our 26th year of this wonderful organization. Speaking of which---WOW! What a fantabulous 25th Anniversary Party we had! The food, the music, the room, the flowers...everything! And it couldn't have been done without Phyllis, Ellie, Evelyn, Dottie, and Cynthia. We have received an outpouring of phone calls and emails from many who attended telling us what a great time they had! Thanks, Ladies! It was truly a pleasure to have you on my committee.

Now, as I mentioned in previous newsletters, it's a big job to run these affairs, and your help is greatly needed. When you send in an article or photo of interest, please include a donation so we may continue enjoying all of these wonderful events. Remember, every little bit helps! We will accept donations even if you don't have an article you'd like to submit for publication. Really, we will.

There is something else of great importance. If you can spare one day a month (except for the summer months), we would love to have you join our Board. We have three open seats, and I'm sure you would add some very interesting views. We want to keep this organization thriving, and you can help us do just that! Thank you.

Going forward, we are excited about planning more events in the future. We will keep you posted as we firm up the dates and details.

For now, I will leave you all with this memory:

Back in the forties when smoking was a big part of our parents' lives, there was a time when cigarette machines were all over the place. Do you remember going to one of those machines (for your parents, of course!), putting in two dimes, and when the package of cigarettes came out, there were three pennies stuck in the cellophane on the side of the package? So many memories!

Until next time,  
Your president,  
Herbie Rae Raffelson

MAIL TO: FFA PO Box 184 Stoughton, MA 02072

*I HAVE A HAPPENING*

You will get more enjoyment out of the newsletter when  
you share your happenings with all of us.

# MEMORIES

I grew up at 641 Walk Hill Street in Mattapan and attended the Solomon Lewenberg School. Some of the people I remember are Bobby Drobnis, Sonny Stecker, Norman Dvorkis, Billy Pinkofsky, George Peterson who I worked with delivering groceries on Blue Hill Ave. and the Kaizerman family at 46 Wellington Hill St. (owners) of the Morton Café. Doris Paul, the smartest girl in school, Lita Aronson, Estelle Pliner and Phyllis Cohen. And the unforgettable Jerry Rodman (Rodman Ford). When Jerry moved to Walk Hill St. we became close friends. When he returned to his old neighborhood on Michigan ave. ( behind the Franklin Park Theater) to visit his friend Sheldon Adelson, I went with him. Sheldon's nickname was Boo Boo . Today Sheldon is the owner of the Venetian Hotel in Las Vegas among other interests and is considered one of the richest men in the world. I will always remember these years. From Billy Lombardi of Dedham, MA.

I am of course a Boston transplant. We who lived in Roxbury were tough and had to fight for what we wanted—even us girls. I left Boston in the 50's to pursue a career in motion pictures, but like so many others I left a piece of my heart in Boston. While appalled by what happened at this years marathon—one has to be so proud of the bravery, camaraderie, determination and assistance that was rendered by all Bostonions. God Bless you. In the 20 years I have been writing letters about the need for far more security in this nation. not much has changed. From Barbara Dekovner-Mayer, Encino, CA.

I will always be grateful to some of my oldest and dearest friends who were and are among the founding members. Gus Blaustein, Pinky and Elaine Kagno, Evelyn and Burt Nessen, Dave and Paula Landy, and Mel and Toby Kramer. Their dedication, persistence, and hard work were responsible for all that has followed.

I can't believe that 65 plus years of friendship and memories have passed since our early days at grammar school and high school, the New Style and Bowladrome, the park and the Field and everything in between! Thanks for the memories! From Ron Slovin, Natick, MA.

# 25<sup>th</sup> Anniversary Reunion

Saturday Night, June 23rd 2013!

What a magical evening. "Turn Back the Hands of Time" sung by Eddie Fisher in the early fifties.

Well, we did just that. We went back 25 years to the first of many "Great Reunions."

Unfortunately, time has taken its toll and there were less people than 25 years ago. That did not dim our spirits, camaraderie and enthusiasm. I found the atmosphere electric, the food great and the band outstanding. They seemed to appear on cue so as not to interfere with our (my) constant conversations.

Thanks to the committee for all the effort, time and love they put into making this affair the fantastic success that it was!

For the past twenty-five years, we have had something very special--to belong to an organization that has given us the opportunity to stay in touch with so many of our old friends. The wonderful functions and 75+ newsletters have contributed to keeping these friendships and memories alive throughout the years.

I believe that we owe not just a vote of confidence but a standing ovation to those many committee members for the countless and thankless hours they have spent putting together and maintaining this great organization for all these years.

On June 23, 2013, the FFA celebrated the twenty-fifth year of being founded by a group of friends just trying to hold on to memories of the "hood." It has evolved into a very exciting organization that has allowed us to hold on these memories and reconnect with friends from long ago.

The party was a fabulous event which was attended by 152 members and it was held because of the very loyal board and especially the efforts of the fabulous committee.

As we all know, it is a tremendous undertaking and because of all the planning and effort it takes, it is a true labor of love. We thank you so very much for your dedication and hard work!

This organization has come a long way since that eventful evening on June 4, 1988 at the Blue Hill Country Club where we had the first of many reunions.

On Sunday, June 23rd, 2013, at the Sheraton Hotel in Norwood, we celebrated the 25th anniversary...and what a celebration it was! We had members that came from near and far. Some traveled by plane and cars to attend. The warmth, love, and energy that were generated in the room were felt by everyone there. The flowers on the tables were beautiful and the food was delicious.

Many of our members who are no longer with us were missed and remembered.

We owe many thanks to the board and committee for the outstanding job that they did to put this evening together.  
Sincerest congratulations,

As soon as I got home the evening of the FFA reunion, I felt I had to write my feelings. One of the best nights I can remember. Congratulations to the committee for the best job done. No friends like the OLD FRIENDS! So many memories and stories to catch up with. Everybody looked happy and beautiful. Music was so great. Danced my a\*\* off! Special thanks to my best dance partner, Judy Wolfe. Remember Hecht House and Talbot Bowladrome? We did it there also. For all of you who came in from Florida and other destinations, I'm sure it was worth it! Until we meet again, I love you all and thanks for the memories!

One slippery morning, an employee explained why he had shown up late for work. "It was so slippery out that for every step forward I took ahead, I slipped back two."  
The boss eyed him suspiciously. "Oh yeah? Then how did you ever get here?"  
"I finally gave up," he said, "and started for home."

### OOPS

The picture of the "Jerry Girls," in the last newsletter should have read: the year 1950, and for the past 15 years they have been meeting monthly. Myrna (Price) Wise and Beverly Snyder were not listed. We are sorry for any inconveniences we may have caused.
