PRESIDENT MESSAGE

In our last newsletter, I wrote an article regarding the fact that the organization will be running out of funds and that we needed the help of our membership.

I would like to thank all the members who came to our rescue, but, we still need the help from everyone. I would also like to thank the members who called, making suggestion how to raise money for the FFA. It is very gratifying to see that there are members who really care.

Now, I would like to get a little serious, the Board of Directors work very hard in arranging an affair for you the membership, volunteering their time and sometimes their own money, but, the problem is we give deposits to reserve the location and band, we notify the members of the date, a flyer is mailed out, the cut off date comes and goes and we do not have enough people to meet our guarantee, guess what! we have to cancel, forfeit our deposits and make refunds to a very unhappy group of people who were looking so much for this reunion with friends from the past, This did not happen this time, but could have!

I would like to thank the committee for a job well done, at the Jazz Brunch.

We appreciate those of you who responded to our last affair and we are the the process of many in the future, Example: A Mah Jongg Tournament September 14, 2006, (see enclosed flyer) and February 27, 2007 a reunion brunch in Davies, FL.

Lets make these events a super success.
